

DUCKINGS AND WIGGLY WORMS NEWSLETTER FOR MAY

Theme: Water Wonderland

Week 1 Water In Our World

- Brainstorm different ways we use water.
- “Paint” with water outside. Develop fine motor skills while drawing wiggly wave patterns.
- Develop fine motor skills while drawing wiggly wave patterns.

Week 2 Sailing Away

- Use the water table to predict if an object will sink or float, then chart their observation
- Retell our unit book All Aboard by acting it out.
- Use blocks to create a boat and tell where they would go on the boat

Week 3 Animals That Live In or Near The Water

- Use cognitive skills to sort which animals live in the water and which live around or near water.
- Use containers holding similar items to identify which has more and which has fewer items.
- Develop fine motor skills while working with collage materials to make a colorful fish.

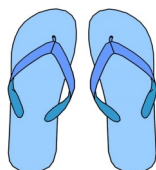

Week 4 Rain and Rainbows

- Use spray bottles outside to make a rainbow.
- Use the rhyme “Pitter Patter” to learn how flowers need rain.
- Use colored seashells to practice patterning.
