

Pooh Bears

Newsletter for January - March 2018

Mrs. Middleton and Ms. Ballard

Themes

There's a lot going on during playtime. We are learning how things work and what our role is in making things work. During play we are teaching our children that they are important and loved. So this Winter the Pooh Bear's are going to be playing A LOT! We are going to have fun learning about snow, ice and water. We are going to learn about different animals and how they live during the Winter.
