

Pooh Bears

Newsletter for May 2018

Mrs. Middleton and Ms. Minggia

Themes

Springing into Sensory Play and Imagination

Absolutely everything is something to explore and wonder about! We all learn best when our senses are engaged and we also retain more of what we learn this way. This spring our Pooh Bears will be enjoying learning by exploring sounds and sights using discovery bottles and discovering lights and shadows while using a lightbox. We will also be having fun growing seeds into beautiful flowers. Spring will be a season of "growing" in all aspects!

May Activities

Exploring and splashing with colorful water, sights and sound discovering bottles, and sensory painting with Jell-O
